Deming Public School District

Intranet/Internet Safety Policy

Staff/Student/Parent Release Form

Use of the school district's computer system and access to the Internet by students and staff of the Deming Public School District shall be in support of education and research that is consistent with the mission and curriculum of the district. As a condition to use of the school district's computer system, including access to and use of the Internet, I understand and agree to the following:

(These guidelines are a summary of the Intranet/Internet Safety Policy, which is available in its entirety at any school office or at the central administration office of the Deming Public School District.)

- That school district administrators have the right to review any materials created or stored in any files I may create and to edit or remove any material which they, in their sole discretion, believe may be unlawful, obscene, abusive, or otherwise objectionable and I hereby waive any right of privacy which I may otherwise have to such material.

- That the Deming Public School District will not be liable for any direct or indirect, incidental or consequential damage due to information gained and/or obtained via use of the school districts computer system including, without limitation, access to public network

- That the Deming Public School District does not warrant that the functions of the school district computer system or any of the networks accessible through the system will meet any specific requirement you may have, or that the school district computer system will be error free or uninterrupted.

- That the Deming Public School District shall not be liable for any direct or indirect, incidental or consequential damages (including lost data or information) sustained or incurred in connection with the use, operation, or inability to use the school district computer system.

- That the use of the school district computer system, including use to access public computer networks, is a privilege which may be revoked by the school district administrators at any time for violation of the Intranet/Internet Safety Policy. School district administrators will be the sole arbiter(s) of what constitutes a violation of the Intranet/Internet Safety Policy.

In consideration for the privilege of using the school district computer system and in consideration for having access to the Internet, I hereby release the Deming Public School District, the school board, its members, administrators and employees, including its computer operators, and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my use, or inability to use, the school district computer system.
